

Five Ways Indiana Tech Prepares You For Success

At Indiana Tech, we're committed to helping you succeed as you earn your degree and reach your goals. Discover how we're here to support you.

1. Career-Focused Programs

Our mission is to prepare you for the careers of today and tomorrow. We offer a variety of programs in business, engineering, arts and sciences, computer sciences, criminal justice, and more so you'll find a program to fit your needs. We are accredited by The Higher Learning Commission, which means you can be sure you're receiving a quality education. You will graduate ready to make an instant impact in the workforce.

2. Flexibility

At Indiana Tech, we make education possible for busy professionals with our convenient format. We offer **fully online programs** to enable you to earn your degree from anywhere. Our flexible programs are designed for working adults, so you can balance work and your personal life. Plus, we offer eight start dates throughout the year, allowing you to begin quickly.

3. Industry-Leading Faculty

Professors at Indiana Tech have years of professional experience in their field and employ a practical approach to provide students with the skills employers want. You will work through real-world experiences to **put what you learn into practice**. Our faculty are invested in your success and serve not only as professors, but also as mentors.

4. Affordability

Nearly 95% of our students receive financial assistance, which enables us to offer some of the most affordable degrees in the Midwest. You can earn your degree quickly with our convenient programs, saving you time and money. Our **competitive tuition rates** coupled with our quality degrees offer you exceptional value.

5. Support

At Indiana Tech, **your goals are our goals**. We provide supportive services, such as career and professional development assistance, a personal admissions representative, and a Student Success Coach. Plus, our Warrior Information Network serves as your one-stop contact for all your academic counseling needs. You may be pursuing your degree away from campus, but we are with you every step of the way.

Ready for the next step?

We are ready to support you in taking your career to new heights. Together, we can do IT.
